

A FREE EDUCATIONAL EXPERIENCE FOR STUDENTS

Wednesday April 10 & Thursday April 11, 2019

9 a.m. – 3 p.m.

Lethbridge Exhibition Park's UFA Aggie Days, offers a great agricultural education program, which allows your students to have an interactive learning experience!

Agriculture is Canada's leading industry, employing one-third of the country's work force. It is important for students to find out what is happening "out on the farm" and how agriculture impacts our daily lives. The displays and interactive activities, hosted by people in the industry, are designed to help students learn more about Alberta's agriculture.

- Farm Safety
- Lunch time show in the South Pavilion
- Live animals
- Hands-on activities
- Demonstrations

UFA & Exhibition Park will be having a raffle for two \$500 RESPs with pre-registration!

Aggie Days exhibits will be closed each day between 12 p.m. and 12:30 p.m. During this time, all classes in attendance are invited to a lunch time presentation in the South Pavilion. You are able to eat your lunch during this time, while watching the presentation. There will be a "Student Lunch Special" at concession.

You will receive an information package by e-mail in March. The package will include the topic of the lunch time presentation, map, listing of exhibitors and other relevant information. We ask you to arrange for adult supervisors for students. We suggest one adult to every five students. This adult will be responsible for the group overall tour and educational experience at Aggie Days. We hope you will take advantage of this FREE event, and give your students a great opportunity to learn about how agriculture happens in Alberta.
